RETURN TO SPORT

Unnecessary physical contact (high fives, handshakes, fist bumps, or hugs etc.) is prohibited. Incidental contact, such as two players colliding when rebounding a ball, is permitted.

Participants must not enter the facility more than 10 minutes before their scheduled time on the court. During this time, players are encouraged to wait in their cars (with guardians), instead of forming a group.

Multiple participants are permitted to shoot at the same hoop.

Participants are permitted to share basketballs, but any drills where contact is predictable (playing defense) is currently prohibited.
